

Study Guide for Lesson-08: Our Fabulous Faith

Lesson Focus Passage: [I John 5](#)

Background: As we draw near to the end of our “*Abiding Fellowship*” study series, I wanted to remind you of the purpose for John writing this letter: John wrote this epistle to give believers the assurance of the truth of their salvation and to encourage them to live out this reality by pursuing holiness and by devoting themselves to loving other believers.

As we look to Chapter 5 these themes of truth, obedience, and love come full circle and you can see them expressed in terms of the attributes of our great faith and on the object of that faith: the **Lord Jesus Christ**.
